

# Southwark Borough of Sanctuary

## Your Resolution of Support

We, \_\_\_\_\_ (*name of group, business, institution or organisation*) support the initiative to make Southwark a recognised 'Borough of Sanctuary', welcoming those fleeing persecution, conflict, violence and disasters in their home countries. We recognise the positive contribution of refugees and people seeking sanctuary to the UK. We are committed to taking practical steps towards welcoming and including them in our activities, and are seeking ways of supporting them wherever we can.

We are willing for our name to be added to a list of supporters of City of Sanctuary.

We are also willing to be contacted by the Southwark Borough of Sanctuary group to discuss how we can translate this resolution into practical action.

City of Sanctuary is a national movement to build a culture of hospitality for people seeking sanctuary in the UK. Its goal is to create a network of towns and cities throughout the UK which are proud to be places of safety, and which include people seeking sanctuary fully in the life of their communities.
